If you would like to enroll in dental and vision coverage or change your current elections please contact the Benistar Retiree Call Center at (800)236-4782 or access the Auto enrollment form on the website – www.MyMedPlans.com.

Understanding Your Dental Plan Options

The Auto Trust offers dental coverage through Blue Cross Blue Shield of Michigan (BCBSM) during the open enrollment period only. The dental plan provides a wide variety of covered services – either covered in full or partially by the plan. Members will continue to have the choice to enroll in dental and/or vision which requires an application to be completed. Considering the relatively small cost difference between the High and Low Plans, members may want to consider the High plan which includes substantially more coverage - 80% vs 50%, for Onlays, Crowns, Veneers, Inlays-permanent teeth, even though the need for them may not be anticipated at this time.

The table below provides an overview of the dental plan benefit. For specific details about the plan, please refer to the Benefits-at-a-Glance summary of benefits on the website at www.MyMedPlans.com.
