## Phase 3: The Catastrophic Coverage Stage

Most members do not reach the Catastrophic Coverage Stage.

You enter the Catastrophic Coverage Stage when your total out-of-pocket costs have reached the \$2,000 limit for the calendar year. Once you are in the Catastrophic Coverage Stage, you will stay in this payment stage until the end of the calendar year.

- During this payment stage, the plan pays the full cost for your covered Part D drugs. You pay nothing.
- You may have cost sharing for excluded drugs that are covered under our enhanced benefit.

Information about your costs in these stages can also be located in Chapter 4, Section 6, in the *Evidence of Coverage* by contacting Customer Service. Phone numbers are on the front and back cover of this document.

We have a network of pharmacies and you must generally use these pharmacies to fill your prescriptions for covered Part D drugs. Some of our network pharmacies have preferred cost sharing. You may pay less if you use these pharmacies. You can see our plan's pharmacy directory at our website ([www.bcbsm.com/pharmaciesmedicare](http://www.bcbsm.com/pharmaciesmedicare)). Or, call us and we will send you a copy of a *Pharmacy Directory* or, for members outside Michigan, a *Pharmacy Locator* (phone numbers are on the front and

back cover of this document).

You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website at [www.bcbsm.com/formularymedicare](http://www.bcbsm.com/formularymedicare).
